Q. Is the fee refundable ?

A. Fee once paid is non refundable.

Q. Can I transfer my admission from one course to another course ?

A. (Ex: If you have taken the admission for the Structures course and later on you if you want to change it to the BIM or composite course.) NO, the course has to be chosen before taking the admission and we help students to find out which course would be best for them by talking to them. Speak to your canceller make up your mind and then only take the admission because the course once chosen cannot be changed. If you want to take another admission in the other course then you need to take a fresh admission.

Q. Can I transfer my admission to someone else ?

A. NO, kindly choose your course wisely by having complete clarity about our courses, all the information has been given on the website in detail and addition to this our admission counsellors can speak to you in detail and help you to choose the best course suitable for you

Q. Can I pay the fee in instalments ?

A. Generally, Econstruct does not allow instalments but due to COVID 19 Pandemic the instalment procedure has been opened up for student convenience. For any course you must pay 50 % of the fee to block the seat and the remaining 50 % can be paid in 3 to 5 instalments in consecutive months.

***Please Note : Admission once taken is non cancellable & the fee once paid is non refundable and non transferable.**

• **WHO IS MY TRAINER?**

Mr. Sandeep Pingale - Founder & MD of EConstruct Design & Build Pvt Ltd. He has 20 years of experience in Structural designing & Execution.

Up to G+81 Story Structure in Gulf on Structural Consultancy Projects. He has designed & Delivered Projects worth 7000 CR in India & Abroad.

He holds unlimited Structural license of high rise Committee of Mumbai Municipal Corporation. He is successfully running Econstruct as an entrepreneur since 2010 in India.

Mr. Sandeep Pingale is a Personal Career Coach to many civil engineering students, working professionals & Consultants in India & Abroad.

He has delivered more than 500+ Technical workshops in PAN India & trained 1000+ Civil Engineers. He has launched a revolution to remove \"freshers\" tag from the recent pass outs who are suffering to get a job in spite of 4 years+ 2 years degree or PG due to lack of knowledge, Skills & relevant Experience.

He has launched first of its kind tech-support number for civil engineering students, working or consultants to ask technical queries or to get online tech support in civil or to get career counselling.
